

# Great American Arf-Off 2013

Here are the results and photos of the fourth bi-annual Great American ARF-OFF held Sunday, August 5<sup>th</sup> 2013.

Another ARF-OFF is in the books. I want to thank Ted Fancher, David Fitzgerald and Brett Buck for generously donating their time and expertise at Saturday's clinic. It appeared to me that a good deal of valuable stunt info was imparted throughout the day and I hope

everyone felt it was worthwhile.

Also, many thanks to the "crew" (Doug Barton, Pete Cunha, Jim Cunningham, Brian Moore, Bob Duncan and others I am forgetting) at the flying site for all of their hard work getting the field in such good shape.

The qualifying rounds consisted of four groups of flyers designated by the colors White, Green, Orange and Yellow. Everyone who flies also judges. The Green Group Judges the White Group and visa versa. The Yellow Group judges the Orange Group and visa versa.

The winner of each group moves on to the Barker Cup Finals in a sudden death fly-off.

Here are the results:
