Rob Holland

Rob Holland was a 13-time consecutive **US National Aerobic Champion**, a six-time **World Freestyle Champion** and, of course, the **2021 Fox 15 Hurl Champion**! But as strange as it sounds, winning was never the goal. It was just a byproduct of his real mission: to become the best aerobic pilot he could be. "I just want to fly better today than I did yesterday." While Rob only attended one control line event, he truly loved all things aerobic. His pursuit of excellence and his work ethic is a winning model for all of us. - Respectfully, Tim Just
