Meet 'n Meat

Jim Tichy Memorial Circle, Kennedy Park, Napa, CA

Little Known Factoid: Juan Marichal, the famed and beloved San Francisco Giants pitcher and Dodger nemesis, secretly trained for an early Fox 15 Hurl in the late 60's. Sadly, the Hurl Commissioner at the time inexplicably declined to accept his application. The current Hurl Deputy Commissioner (self-appointed), is endeavoring, to his credit, to right this clear injustice. Even at the age of 88, the Dominican Dandy, with his signature high leg kick, would have to be considered the favorite to win this year's event. The Hurl Trophy is no World Series Ring. It is much more prestigious. The Commission eagerly awaits a response from Mr. Marichal.
